

**Application for Field Placement Supervision – Narragansett Schools 2013-14**

*Requests for student teaching placements and for other field placements come from URI, RIC, and other schools at various times throughout the school year. In order to make better decisions and handle these placement requests in a timely manner, we have implemented the following procedure:*

Teachers interested in supervising any type of field placement must complete and submit the form below for each supervised placement. After approval by your building Principal and by the Superintendent, the application will be kept on file and used to match interns when requesting placements. When a placement request is received, we will use the application information to make the best placement.

To use this form, please complete the fields below, print, and fax or email to Susan McKnight.

Name:		School:	
Grade or Subject Taught:		Years in this placement:	
Have you taken the training provided to supervising teachers?		Yes	No
If not, would you be willing to take this training on your own time?		Yes	No
Please describe your prior experience supervising student teachers or other field placements; and, in particular, list all such experiences you've had over the past 5 years and include dates:			
Please describe any professional development you have participated in over the past 3 years, excluding professional development provided by the district:			
Briefly explain why you wish to supervise a pre-service teacher:			
What particular skills or dispositions do you have that make you particularly suited for this work?			
<b>Please indicate the type of field placement you are interested in supervising: Please check one</b>			
1. 30 hour pre-practicum for one semester followed by student teaching in the next semester.			<input type="checkbox"/>
2. Other field placements usually less in duration and earlier in the pre-service teacher's training.			<input type="checkbox"/>
3. Other (indicate):			<input type="checkbox"/>
<b>It is important that ALL of the required information, including a BCI from the Attorney General, is processed in Central office before the student begins his/her placement. If you are unsure, please check with Susan McKnight in Central office at 792-9450 Ext 1.</b>
