

II. Administration

Formerly #3430

B. Fiscal Management

2. Audits

a. Periodic Financial and Related Reports

State law and the Town Charter require an Annual Audit of school department finances. The report by the independent auditors shall include all standard components.

Final copies of the Annual Audit and Management Letter Recommendations, Rhode Island Department of Education In\$ite Data and Report Certification (or its equivalent) shall be forwarded to the School Committee at the next regular meeting, following the receipt of these documents.

A listing of other state financial and related reports will be provided to the School Committee each fall, identifying the various reports and due dates for submission. The completed reports will be on file in the Central Office for examination. Copies of these reports are available upon request.
